

Our Don Bradman

Who is it that all Australia raves about?
Who has won our very highest praise?
Now is it Amy Johnson, or little Mickey Mouse?
No it's just a country lad who's bringing down the house!

Our Don Bradman

Now I ask you is he any good?

Our Don Bradman

As a batsman he can sure lay on the wood

Oh when he goes in to bat
He knocks every record flat
For there isn't anything he cannot do

Our Don Bradman,
Every Aussie dips his lid to you!

(Instrumental)

Our Don Bradman

Now I ask you is he any good?

Our Don Bradman

As a batsman he is certainly "plum pud"

Tate and Larwood meet their fate,
For it's always "shut the gate"
When the boy from Bowral hits four after four!

Our Don Bradman

What a welcome waits for you back home!
